HOUSING CAMP BASICS

We are using the facilities of Camp Latieze . It is a beautiful camp facility located in the foothills east of Redding, California. It has several cabins, a large bathhouse (one side for the guys, one side for the gals) an inside dining hall, campfire/worship area, pool and many other wonderful areas. All cabins have electricity and mattresses on the bunks.

The camp is located at 3,000 feet elevation. The days are usually pleasant this time of year but the nights can sometime be chilly, so be sure to pack a jacket for the evenings!!

As a small camp, you can expect to get to know everyone's name. You can expect to have everyone know your name. You will have a great week of fellowship, Bible Study, new experiences and challenges.

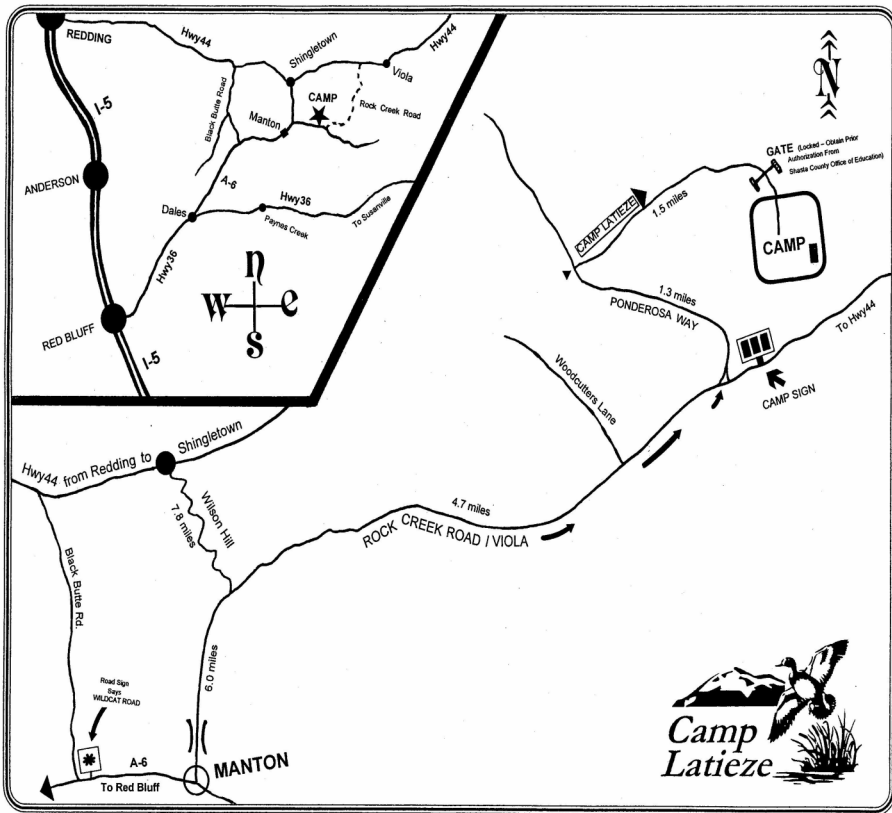

Let your light shine before men; that they may see your good works , and glorify your Father who is in Heaven.

Matthew 5:16
